

## **Open Birding Tour amid the Mayan Ruins of Lowland Chiapas – 2019**

October 22<sup>ND</sup> – November 4<sup>TH</sup>... *A richly exciting part of MEXICO!*

**Southeastern Lowlands:** Calakmul, Bonampak, Yaxchilan, Palenque, & the Lacandon Reserve! *Eleven days – tinamous, antbirds, woodcreepers, cracids, & macaws – begins/ends in Villahermosa*

### **ROUTE & ACTIVITY INFORMATION**

#### **DAY #1: OCT 22nd -- Arrival date**

We begin (Day #1) and end (Day #14) in Villahermosa, Tabasco – Flights to Villahermosa (VSA) will require connections through Mexico City (MEX).

**Hotel Maya Tabasco, Villahermosa (1 night)**

**DAY #2: OCT 23rd** – Early breakfast followed by AM birding south of the city before traveling to Emiliano Zapata in Tabasco State.

**Hotel Tierra Blanca, Emiliano Zapata (1 night)**

**DAY #3: OCT 24th** – AM birding in the delta of the *Usumacinta River* before traveling to the entrance of the *Calakmul Biosphere Reserve & Mayan Ruins*.

**Hotel Puerto Calakmul, Hwy 187 - Campeche (2 nights)**

**DAY #4: OCT 25th** – Full day to visit the ruins of *Calakmul* with birding all along the park entrance road. **Calakmul** – the forest is excellent for large birds, both *cracids* and raptors. There are many times (but not always) a number of large mammals present in the reserve – this can be an exciting place!

**DAY #5: OCT 26th** – AM in the reserve, with a PM drive to Emiliano Zapata.

**Hotel Tierra Blanca, Emiliano Zapata -Tabasco (1 night)**

**Emiliano Zapata** – the *Usumacinta* basin is home to water dependent species, including the jabiru and pinnated bittern, as well as open country birds like aplomado falcon, plain-breasted ground-dove, and grassland yellow-finch.

**DAY #6: OCT 27th** -- AM birding the Usumacinta River basin, PM drive to Bonampak Village, Chiapas.

**Campamento Lacanja, Lacondon - Chiapas (3 nights)**

**Bonampak** – great trails, with ‘ant-things’ well represented – the BEST local for forest birding - with many species (though not all) to be found in the area!

**DAYS #7 & #8: OCT 28th & 29th** – AM birding in the Mayan ruins within the *Bonampak Reserve*, PM birding near Lacanja Village.

**DAY #9: OCT 30th** - AM birding at Bonampak, PM drive to Guacamayas Resort.  
**Las Guacamayas, Pico de Oro - Chiapas (2 nights)**

**DAY #10: OCT 31st**– AM boat ride up the Rio Tzendalez, PM birding for macaws and forest edge species.. **Guacamayas** – Scarlet Macaw are found here as are pristine rivers flowing from *Montes Azules NP*. It is a good location for little tinamou and birds more typical of mid-elevation shaded forests.

**DAY #11: NOV 1st**– AM forest trail walk, PM drive to Frontera Corozal, Chiapas.  
**Conjunto Nueva Alianza, Frontera Corozal - Chiapas (2 nights)**

**DAY #12: NOV 2nd** - AM boat ride to *Yaxchilan Archeological Reserve* for a fun morning of birding. **Yaxchilan** - situated along the river it has many large raptors as well as fruiting trees, and forest trails amid undisturbed woodland.

**DAY #13: NOV 3rd** – AM on the trails at Bonampak, PM travel to Palenque.  
**Hotel Maya Tulipanes, Palenque - Chiapas (1 night)**

**Palenque** – Fabulous ruins once rich in birds but now long isolated by forest burning and development. It is today best thought of as a location to review wintering edge species and resident fruit feeders.

**DAY #14: NOV 4th** - AM in the ruins of Palenque, with a PM drive to Villahermosa for final dinner, checklist review, and preparation for AM flights.  
**Hotel Maya Tabasco, Villahermosa (1 night)**

**DEPARTURE - plan for anytime on Tuesday, November 5th**
